

# AATCC Board of Directors and Administrative Committees

## AATCC Board of Directors for 2009

The AATCC Board of Directors consists of the President, President-Elect, Immediate Past President, Interest Group Chairs, one At-Large Member from each of the Interest Groups, the Executive Vice President (non-voting), the Treasurer, the chair of the Executive Committee on Research, the chair of the Publications Committee, the chair of the Education Advisory Committee, and the Regional Board Members. By virtue of the AATCC Constitution (Article V), the president-elect is elected to serve for a two-year term, after which time the individual automatically moves to serve as president for a two-year term, and the current president automatically becomes the immediate past president for a two-year term. The date shown following a Board Members' name indicates the beginning year of the first term as a member.

## Materials

*Mission:* To stimulate and expand the knowledge base of developing new and novel materials related to the fiber/fiber products industries via innovative modifications of existing structures and/or creation of compositions of matter. The new materials may be chemical in nature (preparation aids, colorants, finishes, polymers, etc.), or physical structures (fibers, wovens, carpets, nonwovens, etc.), concentrating on the science and engineering used to create them along with any technologies, equipment, systems and processes developed for their commercial production, and including their tested physical/mechanical properties.
