Philanthropy/Community Service

- Collect or make blankets for a local shelter
- Make or collect hats for cancer patients (e.g. www.knotsoflove.org)
- Collect clothing donations for charity (e.g. www.donationscentral.org or www.dressforsuccess.org)

Fundraising Ideas

- Mend-A-Thon: Mend clothes for others at your University. Charge \$1-\$5 for items such as button replacement, hems, slight tears, etc.
- Have a bake sale
- Have a Fashion Show and charge for admittance
- Sell a product that the Student Chapter members can make at low cost

Career Night

- Have a professional career night where everyone who attends must dress in professional attire
- Have everyone bring resumes and peer-edit resumes. Chapters could even organize to have their University career center come speak about resumes and interviews
- Have a few attendees have mock interviews and let peers give feedback of what was done well and what could be improved OR break everyone up into pairs and have each other conduct mock interviews to practice interviewing skills. Click [here](#) for some sample interview questions
- Invite a Senior Member from your [Local Section](#) to come and conduct mock interviews

Speed Networking

- Have all attendees of the event partner up
- Form two circles so that each partner is facing each other but the group makes two separate circles. One partner will be part of the inner circle and the second the outer circle
- Set a timer for 2 minutes. During this time each partner must introduce themselves, describe their experiences, what they can offer to a company, ask each other questions, etc. Practice networking and introducing yourselves to professionals. If you have a business card, bring one!
- After the 2 minutes are up, have the internal circle move clockwise and the outside circle moves counterclockwise
- Repeat until each person has met with one another or until time permits

Test your Color Vision

- Please contact AATCC to conduct this program. AATCC will send you a Color Vision testing kit for the Student Chapter to use upon request. One Color Vision testing kit per year per Student Chapter will be allotted.
- All Color Vision Testing Kits MUST be mailed back to AATCC by ONE week
- Color Vision Testing kits will be sent to Student Chapters at AATCC's discretion. There will be blocked times when the kit cannot be mailed out
- Only domestic Student Chapters
