

One Day Work Shop

New Trends in Optimization- Based Approaches for Purification and Biological Analyses of Isolates to Process Synthesis of Lead Molecules

April 06, 2016

Organized by:

**Department of Applied Chemistry &
Biochemistry
Govt. College University, Faisalabad**

ORGANIZERS

PATRON-IN-CHIEF:

Prof. Dr. Muhammad Ali Shah
Vice Chancellor
Govt. College University, Faisalabad, Pakistan

CONVENER:

Prof. Dr. Muhammed Zuber
Dean, Faculty of Science and Technology
Govt. College University, Faisalabad, Pakistan

PRINCIPAL ORGANIZER:

Dr. Tahsin Gulzar
Co-ordinator Applied Chemistry
Department of Applied Chemistry & Biochemistry
tahsingulzar1@yahoo.com

SECRETARY:

Dr. Tahir Farooq
Assistant Professor

ORGANIZING COMMITTEE:

Dr. Asma Haq (Chairperson B & B)
Dr. Shazia Bukhari (Coordinator Biochemistry)
Dr. Zahid Mahmood
Dr. Abdullah Ijaz
Dr. Fazal ur Rehman
Dr. Jawwad Saif
Dr. Shumaila Kiran
Dr. Mirza Nadeem Ahmed
Dr. Muhammad Ibrahim
Dr. Naveed Anjum
Dr. Mahmood Ansari
Dr. Muhammad Usman
Dr. Fatima Jalal
Dr. Shazia Tabassum
Dr. Arruje Hameed
Miss. Kinza Aslam
Dr. Nosheen Aslam
Dr. Shagufta Kamal
Mr. Shahid Adeel

WORK SHOP OBJECTIVES:

It's the need of the hour to train our young researchers with the powerful cutting-edge techniques to enable them to tackle the recent challenges in natural and synthetic drug designing strategies. To meet this objective, this workshop is planned to tutor our young minds with the latest technological advancements in theme areas. Department of Applied Chemistry aims to produce talented minds with chemical sense who will apply their knowledge in chemistry to industries and national development

REGISTRATION:

Registration Fee: Faculty: Rs. 1200/-

Students: Rs. 700/-

Last Date for Registration: March 21, 2016

Please contact Dr. Shumaila Kiran personally or e-mail the registration form at shumaila.asimch@gmail.com on or before the deadline.

After the deadline, the registration fee will be doubled.

VENUE:

Department of Applied Chemistry & Biochemistry,
Govt. College University, Faisalabad, Pakistan
