Thursday, April 27th, 2017

Please join us for our spring meeting and tour of

12:00 pm  
*Spring Meeting, Lunch & Conversation at Industry restaurant*

- 20185 SW 112th Avenue
- Tualatin, Oregon 97062

3:00 pm  
Tour of the Parklane Mattress production floor and overview of materials used in their products.

- Parklane Mattresses
- 10360 SW Spokane Court
- Tualatin, Oregon 97062

Parklane Mattresses is a standout in the industry, designing and manufacturing their own line of mattresses and foundations. Their direct-to-consumer model eliminates the middle man. They use superior materials in their mattresses, such as higher density foams and natural Talalay latex as other major manufacturers (e.g. Sealy, Serta, Simmons), just more thoughtfully produced.
