

J.W. Weaver Paper of the Year Award

Jing Jin, Wei Dong, and Yong Liang, published a paper on “Determination of Acrylamide in Textiles by GC-MS using $^{13}\text{C}_3$ -labeled Acrylamide as Internal Standard” in the January/February 2013 issue of *AATCC Review*. It was selected as the best peer-reviewed paper published in *AATCC Review* in 2013. For their significant contributions to textile science literature, the authors were honored with the **J. William Weaver Paper of the Year Award**.

Jing Jin

Jing Jin obtained her Masters from Sichuan University in 2004. She is currently the Associate Director of the Sichuan CIQ Laboratory of Textiles in Chengdu, Sichuan, China.

Wei Dong

Wei Dong graduated with a BS from Zhejiang Sci-Tech University in 1992. He is currently Associate Director of the Sichuan CIQ Technology Center in Chengdu, Sichuan, China.

Yong Liang

Yong Liang has a Masters from Sichuan University in 2004. He is currently the Associate Chief Physician at the 363 Hospital in Chengdu, Sichuan, China.

The Weaver Award

In February 1979, AATCC established an award for the best peer-reviewed paper published annually in the *Textile Chemist and Colorist* (afterwards *AATCC Review*; now these papers are published in the *AATCC Journal of Research*). In 1990, the award was named for J. William Weaver (1916-1990), who was chair of AATCC's Editorial Board at the time of his death.
