

## AATCC FOUNDATION BRICK CAMPAIGN

In November 2007, AATCC dedicated the William R. “Bill” Martin, Jr. Brick Walkway. Located at AATCC Technical Center, the walkway holds several inscribed brick pavers contributed by Association members and supporters.

To continue its mission to enhance textile research, education, and scholarship, the AATCC Foundation is, again, offering Association members and supporters the opportunity to inscribe special names and memories in bricks and have these placed in the walkway leading to the Sundial Plaza at the AATCC Technical Center.

- Inscribe your name or company on a 4 x 8-in. brick paver for **\$150**
- 
- Personalize an 8 x 8-in. paver for **\$300**

To purchase a brick, fill out a [Brick Order Form](#)

Contributions may be tax deductible.
