

# American Dyestuff Reporter

## Editorial Index

### Vol. 64 1975

#### Antistatic agents

- Internal Antistats (Nahta) ..... April 41  
Shocking Behavior ..... June 18

#### Carpets

- Better Random Coloration of Nylon Carpeting (Collins) ..... Sept. 25  
Carpets Chalk Up Second Best Year ..... June 17  
No-Carrier Dyeable Carpet Fiber ..... June 28  
Printing Nylon Carpet by Rotary Screen Machines ..... June 28  
Printing Polypropylene Carpets with Chelating Dyes (Baker and Owens) ..... June 23  
Thickeners for Carpet Printing (Cooney) ..... June 20

#### Control Systems

- Buyer's Guide for Wet Processing Controllers ..... Nov. 40

#### Cotton

- Cotton Reflectance Changed by Metallic Impurities (Barakat, et al.) ..... May 36  
Rotproofing Properties of Chemically Modified Cotton Fabrics (Amin) ..... Nov. 21

#### Drying machines

- Drying and Heating Efficiencies of a Suction Drum Dryer (Miura and Hosokawa) ..... Oct. 16

#### Durable Press

- Durable Press Treatments with Aluminum Chlorhydroxide Catalysts (Reinhardt, et al.) ..... May 25  
Role of Magnesium Chloride in Crosslinking Cellulosics (Jain) ..... Nov. 30

#### Dyeing

- Continuous Dyeing by the Thermosol Process (Somm and Gerber) ..... Sept. 44  
Continuous Dyeing of Polyester/Cotton Knits (Nishikawa) ..... Nov. 20  
Dyeing of Barre Goods (Kirjanov) ..... March 17  
Fifteen Years of Pad-batch Dyeing (Stetson) ..... March 26  
Improving Dyelot Recipe Cards (Pringle) ..... Nov. 15  
New Methods of Dyeing Cotton with Indigo (Lupton and Loughlin) ..... Sept. 26  
Reducing Dyeing Costs with Textile Chemicals (Bartsch) ..... Sept. 21  
Sancowad Perks Along ..... March 28  
Two-tone Dyeing of Fabrics Containing Polyester and Triacetate Yarns (Gopujkar) ..... March 32

#### Dyes, reactive

- TLC Shows Linkage Between Carbohydrate Thickeners and Reactive Dyes (El-Thalouth and Geczy) ..... Oct. 34

#### Education

- CRI Plans Industry Training School ..... June 26

#### Energy conservation

- Heat Recovery and Smoke Abatement Can Be Profitable (Beltran) ..... Aug. 22  
Options for Reducing Fuel Usage in Textile Finishing Tenter Dryers Part I (Hebrank) ..... April 32  
Options for Reducing Fuel Usage in Textile Finishing Tenter Dryers (Conclusion) (Hebrank) ..... May 44

#### Finishing

- Finishing Comes to Afterglow ..... Aug. 25  
Flame Retardancy, Water Repellency, Shrinkage Problems: Solved ..... Sept. 34  
How to Wet Process FR Acetate Fabrics (Casey) ..... Sept. 33  
Knit Finishing Report ..... April 29  
Resin Finishing Developments ..... Jan. 42  
Softeners for Sanding Denims and Napping Knits (Abrahams) ..... Sept. 23  
WURSET Wool Shrink Resist Process Proves Feasible Under Plant Conditions (Pardo, et al.) ..... Sept. 36

#### Flame Retardants

- Durability of Flame-retardant Finishes Using a New Phosphate-free Laundry Detergent (Brysson, et al.) ..... Jan. 19  
Effect of Soiling with Milk or Urine on Fire Retardant Cotton Fabrics (Bullock and Carter) ..... Jan. 21  
Flame Retardant for 50/50 Polyester/Cotton Wovens (Donaldson, et al.) ..... Sept. 30  
How Glycerine, Hand Lotions and Baby Oil Affect Fire Retardant Fabrics (Simpson and Phelps) ..... Aug. 69  
Laundering of Cotton and Polyester Fire Retardant Sleepwear Fabrics (Simpson and Campbell) ..... Jan. 28  
New Fire Retardants and Processes ..... Jan. 34  
Textile Flammability Update ..... June 30

#### Knits

- Improvements in Knits Forecast ..... Oct. 13  
Save the Knit Shirt! (Blagman) ..... April 30

#### Management

- Commercial Finance: Your Next Move? (Kelsey) ..... Oct. 12  
Don't Shoot the Foreman: Aim at the Plant Manager (Imberman) ..... May 21  
Executives: How Large Was Your Last Raise? ..... Oct. 13  
Forecast 'Moderate' Growth in Textile Dyes ..... Jan. 40  
Going Once, Going Twice ..... May 24  
TPF Expands ..... Oct. 14

#### Mercerizing

- Hot Mercerizing ..... Sept. 24

#### Pollution Control

- Controlling Tenterframe Exhaust (Pate) ..... May 34  
Environmental Guide to Dye Carrier Selection (Haas, et al.) ..... March 34  
Factors Affecting Removal of Textile Dyes by

- Carbon Adsorption (DiGiano, et al.) ..... Aug. 15  
Hyperfiltration Pilot Plant for Textile Wastewater Renovation (Brandon, et al.) ..... Oct. 20  
Solving Textile Wastewater Problems: Three Case Histories (Tanner) ..... Nov. 16  
Treating Dye and Finishing Wastes (Mahloch) ..... Nov. 24

#### Printing

- How to Improve Screen Print Pastes ..... March 21  
Roller Printing Answers the Challenge (Verlik) ..... Oct. 11  
Technological Evaluation of Oxidized CMC as a Paste for Printing with Reactive Dyes (Kamel, et al.) ..... March 22

#### Reviews

- AATCC Conference Report ..... Dec. 55  
ADR's Annual New Product Review ..... Dec. 15  
Colorists Convene ..... Sept. 67  
ITEX, Farewell ..... Jan. 36  
ITMA 75, Milan, Oct. 6-15 ..... Aug. 26  
KAE: Qualified Success ..... July 56  
Knitting Arts Exhibition '75 ..... April 21  
Special Supplement: Guide to Milano ..... Aug. 37  
Wet Processing Exhibits at ITMA ..... Aug. 27

#### Stretch Wovens

- Stretch Modification Effect on Wool/Polyester Woven Fabric Properties (Kaplan and Shiloh) ..... Aug. 54  
Two-Way Stretch in Woven Wool Fabrics (Pittman and Wasley) ..... May 48

#### Transfer Printing

- Dyes for Heat Transfer Printing (Aihara, et al.) ..... Feb. 46  
Hamrick: Transfer Printing is a Big Time Operation ..... Sept. 66  
Heat Transfer Printing Buyer's Guide ..... Feb. 23  
Heat Transfer Printing Buyer's Guide Addenda ..... July 42  
Heat Transfer Printing Caveats (Vellins) ..... Feb. 41  
Heat Transfer Printing: Observations on Marketing (Bottomley) ..... July 26  
Heat Transfer Printing of Polyester/Cellulose Blends Vapor-Phase Surface Testing (Nishida, et al.) ..... April 39  
Heat Transfer Printing of Textiles (Gorondi and Larson) ..... Feb. 53  
Heat Transfer Printing: Opportunities and Problems (Lund) ..... July 25  
Huge Market Forecast for Heat Transfer Printing ..... July 54  
Printing Heat Transfer Paper: The Case for Flexography (Ball) ..... July 32  
Production of Continuous Heat Transfer Printing Paper (Winterburn) ..... Oct. 42  
Transfer Printing Goes 'Wet' ..... Oct. 11  
Transfer Printing Steals the Show ..... July 21  
Transfer vs. Conventional Printing (Cromer) ..... Dec. 57  
Trends in Transfer Printing (Vellins) ..... July 29
