

# UT Austin Student Chapter Report

## Retail Math and Color Chem workshops

Texas Section Chair Harrie Schoots was gracious enough to lead workshops in the aforementioned topics, all members and interested parties were allowed to attend. Food was served by CottonWorks and there was also a presentation by CottonWorks.

## November Meeting with Cotton University

Cotton University student representative did a presentation about the online resource free for college students and students signed up for the resource.

## Other activities

We had three fall meetings in 2017 the Chapter Chair attending the Texas Section meeting in the fall. We have had three this semester so far, and will be visiting an alpaca farm along with planned meetings for the rest of the semester and attendance to the Texas Section Spring meeting.

## Future Activities

We hope to hold regular meetings, continue our relationship with the Texas Section leaders, and have students share their internship experiences with other students.
