## **AATCC Chapter Updates:**

Spring 2018:

3 Meetings

- AATCC Lecture Color Evaluation and Measurement  
7 members attended  
Members listened to webinar on new laser color treatments and techniques of evaluating color. After the webinar members interacted with evaluation methods including taking a color differentiation quiz.
- Officer Elections  
4 members attended  
Members discussed transitioning officer positions and who would take over new roles for the next year.

Fall 2018:

- Chapter meeting October 30<sup>th</sup>  
Planning on having a visitor to discuss a clothing S.W.A.P to do within the College of Human Sciences to help aid in sustainable fashion consumption.
- Chapter Meeting Mid November
- Clothing SWAP Event in November  
Members and faculty will assist in a program where students can bring unwanted clothing items and receive the amount of tickets to items that they brought. Then, the clothing will be cleaned and offered in a shop setting where those who donated can pick up clothing in trade of their tickets of items they donated.

Continued goals:

- Get larger attendance at meetings
- Have more members
