## AATCC Foundation 100 for 100 Scholarship Campaign

**RESEARCH TRIANGLE PARK, N.C., USA, December 14, 2018**— In 2021, AATCC will celebrate its 100<sup>th</sup> anniversary! To honor this landmark occasion, AATCC Foundation is sponsoring the *100 for 100 Campaign*.

The *AATCC Foundation 100 for 100 Campaign* is intended, over the next three years, to raise the funding needed *to fully endow AATCC Foundation scholarships and fellowships*. When fully endowed, AATCC Foundation will be able to offer **\$100,000** per year in fully endowed scholarships and fellowships in time for the celebration of AATCC's **100th** anniversary! For this to be possible, the Foundation's goal is to raise \$500,000 through donations. This can be done! For example, if AATCC individual members contribute an average of \$100 and AATCC corporate members contribute an average of \$1,000, the goal of \$100,000 can be achieved in time for AATCC to celebrate its 100<sup>th</sup> anniversary in the fall of 2021.

AATCC Foundation offers numerous scholarships to students from universities around the United States to encourage the study of textile-related education. Through the AATCC Foundation website, you can now direct your contributions to a specific scholarship fund. Choose the scholarship(s) you want to support! See the AATCC Foundation Grants and Scholarship webpage to make your contribution today!

The **AATCC Foundation 100 for 100 Campaign** is an easy way for you to make a difference in the future of textiles! Help us reach our goal of \$100,000, so that we can endow AATCC Foundation scholarships and fellowships and offer them for years to come! **Please give today!** AATCC Foundation—building a better future!

**About AATCC:** [AATCC](#) is the world's leading not-for-profit association serving textile professionals since 1921. AATCC, headquartered in Research Triangle Park, N.C., USA, provides test method development, quality control materials, and professional networking for members in about 60 countries throughout the world.

**About AATCC Foundation:** Established in 1997, [AATCC Foundation, Inc.](#) operates to further the charitable mission of the Association, promoting the science and knowledge of textile

design, coloration, materials, processing, and testing through research and education. AATCC Foundation, Inc. seeks ways to develop and promote quality standards throughout the world.

The AATCC Foundation is organized and operated exclusively for charitable purposes and is classified by the US Internal Revenue Service as a 501(c) (3) organization. Your contribution to the AATCC Foundation Inc. may be tax deductible. (Financial information about this organization and a copy of its license are available from the NC State Solicitation Licensing Section at +1 888 830 4989. The License is not an endorsement by the State of NC.)
