By signing this form you, the author, warrant that the work you submit has not been previously published or submitted for publication elsewhere (except in AATCC sponsored events or in the AATCC Book of Papers). If your work has been published or submitted elsewhere, please contact the AATCC staff listed below before proceeding further.

*According to Article VIII, Section 1, of the AATCC Bylaws, "All papers presented at any meeting of the Association (or submitted for publication in printed and/or electronic media) shall become the property of the association unless otherwise specified by the Publications Committee. Such papers shall not be published elsewhere without the express, written consent of the Publications Committee."*

**Note to Authors: Your research data is your own and may be used to build upon in your future published works. Before reproducing or republishing, in whole or in part, your work published by AATCC, please obtain written permission by contacting the Publications Department at +1 919 549 8141.**

In keeping with the above requirements, I affirm:

- That I have been authorized by all co-authors to sign this agreement on their behalf, and the mention of "author" shall apply to all authors if appropriate;
- That this article is my (our) original work, has not been previously published elsewhere in printed or electronic form, and is not under consideration for publication elsewhere;
- That the article is original and that it contains no matter that is libelous, obscene, or infringes any existing right of privacy, copyright, trademark or any other statutory or common law proprietary or civil right and is not otherwise unlawful. I agree to indemnify, defend, and hold AATCC, its directors, officers, employees, and agents harmless against any claims to the contrary; and
- That I have obtained permission for and acknowledged the source of any illustration, diagrams, or other material included in the article of which I am not the copyright owner.

I hereby assign to the AATCC the present and future copyright to this work throughout the world in any form and in any language (including without limitation on data storage media, transmission over the internet and other communication networks, and in any other electronic form).
