

Fund your AATCC Student Chapter!

Is your student chapter looking for funding programs, events, or other educational opportunities to enhance the AATCC student chapter experience?

AATCC Student Chapters can now receive funding through a refund of 50% of their total student membership dues.

Students: Join online [NOW](#) to increase your chapters funding opportunity!

Requirements:

(See complete application and information [here](#))

- ✓ **Chapter Health:** Must have at least 15 students that have joined AATCC by **May 1st** of each year. Please check with [Manisha Patel](#) for current number of active students for your chapter.
- ✓ **Accountability:** The Chapter must have coordinated at least one educational activity per semester (or twice a year) in the previous school year in order to qualify for the funds.
- ✓ **Care:** Funds (calculated based on the Student Chapter membership at the last May 1 count) will be wired to the Student Chapter's account by **September 30** (AATCC will NOT send checks). Prior to this, the Student Chapter must open a bank account and furnish AATCC with the correct wire transfer information (contact [Manisha Patel](#) for details).
- ✓ **Responsibility:** The student advisor must be the account holder of the checking account, for the sake of continuity. However, the Student Chapter treasurer will be responsible for managing the account. (**AATCC will also wire funds to international Student Chapters. If complications arise from international banking issues, AATCC may not be able to fund the particular Student Chapter in question.*)
- ✓ **Engagement:** Student Chapter must request these funds each year; AATCC will send reminders, but will only send funds to those Student Chapters that meet the requirements (including submitting this application) and contact AATCC membership services.

Students to Professionals

Timeline of events:

- April 1st: Completed application form due
- May 1st: Student members will be counted by AATCC to determine amount of funding
- September 30th: Funds will be wired to student chapter
