Save the Date!
Thursday September 19, 2019

William L. Jasper is a University of Rhode Island alumnus and the President of Two-Eleven Associates, a management consulting company that focuses on improving the value and sustainability of manufacturing-based businesses. He was previously the Chairman and CEO of Unifi Inc., (UFI:NYSE), a multi-national textile company and the makers of Repreve® recycled polyester yarns.

He regularly blogs about textile sustainability at <https://www.williamljasper.com/>

He is visiting URI on September 19th and will talk with students of URI's Department of Textiles, Fashion Merchandising and Design programs during the day, and give a lecture in the early evening to interested professionals. The details of time, place, and a title of his talk will follow!

We hope to see you all in Southern Rhode Island for this event!
