

# SECURITY

---

You are reminded that this is an open tabletop exhibit area! The primary responsibility for safeguarding your exhibit and materials is yours!

While AATCC will exercise reasonable care in safeguarding your property, **we will assume no responsibility for your lost or stolen items.**

- Do not leave your tabletop exhibit unattended during the setup period.
- Cover your display after setup and each night before leaving.
- Do not leave valuables or merchandise under tables.
- Have your tabletop exhibit adequately staffed at all times; this will discourage pilfering.

AATCC and the Hyatt Regency will not provide security personnel for the exhibit area.
