

CALL FOR STUDENT POSTERS

Coloration Conference

AATCC invites undergraduate and graduate students to submit poster abstracts for the *Coloration Conference* to be held February 24-25, 2026, at the StateView Hotel in Raleigh, NC. Projects at any stage—capstone, independent study, thesis, or dissertation—are welcome. This is a great opportunity to share your work, gain feedback, and connect with peers, faculty, and industry professionals. Complete and return this form to Matt Brennan, Senior Education Manager, AATCC Technical Center, brennanm@aatcc.org by the **October 27, 2025, deadline**. All requested information must be provided.

A. The program committee is soliciting poster abstracts for the following topics:

Innovative Technology in Coloration & Dyeing

Chemical and Physical Modifications of Natural and Synthetic Fibers for Enhanced Color Application

Innovative Approaches to Improve (or Optimize) Preparation for Dyeing

Developments in Finishing to Optimize Performance Properties

B. Poster Title:

C. Name of Presenter(s): _____ **School:** _____

Phone: _____ **E-Mail Address:** _____

Signature: _____ **Date:** _____

D. Poster Abstract (125 words maximum):
