STUDENT MEMBERSHIP

WHY JOIN?

- **Get Career Ready:** Build your resume with experiences employers actually value, from professional development to leadership opportunities.
- **Build Your Network:** Connect with students, professors, researchers, and professionals from around the world. Your next mentor, internship, or job could start with one conversation.
- **Learn What Isn't Taught in Class:** Stay ahead of emerging trends in sustainability, performance textiles, color science, textile testing, smart textiles, and more through exclusive webinars and technical resources.
- **Save on Events:** Attend conferences and workshops at discounted member rates. Meet industry leaders, explore career paths, and grow your professional network.
- **Make Your Resume Stand Out:** Membership shows employers you're invested in your future and engaged with the textile industry before graduation.

MEMBERSHIP INCLUDES
